

Prayer and Newsletter April 2016

It's a New Day

MMM has been so encouraged with the work at Fore St Camborne. The support from the team, and the willingness of people to get involved in reaching out into their area; also the encouragement of having Phil Misselbrook, of Ambassadors for Christ, join us on a couple of occasions.

The area has been visited by some of the church members, taking Good News newspapers on a bi-monthly basis. This will have softened the ground for verbally presenting the Good News of Jesus.

KnP have been busy presenting the Acts 1:8 teaching, and then Keith has been taking the folks out with him 'on the doors'. As many of the team had been out on the streets, and door to door witnessing, it was great to

have prepared people to go out with and share the Gospel. This meant that in a relatively short time there have been up to three teams out at a time.

Pauline has been encouraged with the team who have been involved in prayer supporters they, too, were ready, willing and able to get stuck into listening to God, and praying the things which He was revealing through His Holy Spirit.

There are the encouragements of a number of people who have prayed and 'called upon the name of the Lord'. We look to the Holy Spirit to continue the work in their lives, also the church to visit further, and seek to see these people disciplined.

When MMM have finished in Camborne!

Praise God, when MMM is finished, Fore St Chapel, Centenary Methodist Church and others will not be finished, but will be continuing to go and tell others the Good News of Jesus.

But what of MMM?

KnP are already praying, planning and preparing other areas of Penwith which they will be seeking to take Bibles and the Good News of Jesus into over the coming years.

The times when they are not taking part in deputation work, and the encouragement of existing Bible delivery teams; they will be seeking to continue the work in Cornwall, in the Penwith area.

They would also like to use this time for continuing to train other Christians, using the Acts 1:8 Evangelism Training.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

In respect of this if there is anyone who would like to received training in this way, and do not live close enough to travel on a daily basis for a weekly training course; KnP are willing and, now able, to provide accommodation for a weekly training programme.

This would include being taught the Acts 1:8 Evangelism Training. Hands on door to door work in Bible Delivery. Training in listening to God, and moving in the gifts of the Holy Spirit, both in prayer support and door work. Also sharing the importance of spending time with God and taking a day of rest.
