

The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.

.....*Pray about everything. Tell God what you need, and thank Him for all he has done.*
Philippians 4:6

Reasons for a party

The end of February saw the Bible Delivery team off to St Buryan for the communion service. They were all blessed with the service; after which the Lord had some amazing things to share with the team.

- ✚ Vanda, the Rector, shared that she had had 40 people turn up to the first Lent meeting on the Bible, the evening before. One person present shared that their Bible was the King James Version, but they had not been reading it. On receiving the Bible from the delivery team they started to read the Bible they had been given, and they were finding it interesting and helpful.
- ✚ Two people who were not followers of the Christian faith came to the Lent meeting, and were so taken with one version of the Bible which they saw there; they decided to go and buy a copy to read for themselves.
- ✚ A lady made a special point of coming into the church to share with the team that she had been at a friend's home

when the Bible Deliverers arrived. They had shared and prayed with the person in the home; who had then moved from the village, but told her friend that she would be looking for a church to attend in her new place of residence.

- ✚ On the last day of delivery Keith believed it would be right to call at a certain house and offer a Bible. During the course of conversation he prayed for the person, and gave them a scripture. They reported that this had turned their life around, after a very sad time.

Keith has for 20 weeks been broadcasting a weekly, 10 minute, talk on all the above social media, and the links to these can be found on **Micah's** website (www.micahmobileministries.org.uk) on the homepage and the sermons page.

The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.

The weekly broadcast is entitled 'Thank God it's Friday', and is originally broadcast on a Friday morning, but is available from that day onwards.

The opportunities have been wonderful. He has broadcast 15 talks on Periscope and 10 on Facebook, and of these the least number of viewers has been 160 and the most has been 465. We do not know how much of the broadcast people have watched, but we do know how wonderful the Holy Spirit is at catching people's attention when He is wanting to speak to them about the gift of salvation. Even if you're not a social media user; please

pray

For Keith as he prepares a talk each week.
For Keith as he shares the talk.
For the internet as it is recorded and broadcast.
For people who don't know Jesus who may be watching this broadcast.
For the work of the Holy Spirit in conviction and salvation.
