Prayer and Newsletter

April 2018

For the encouraging weekend at Emmanuel New Life Church, Burntwood.

- ✓ One lady asked Jesus to forgive her
- ✓ One gentleman who was prayed for on the Saturday evening gave testimony, on Sunday evening that the dark cloud over him had lifted.
- ✓ One gentleman texted to say that 'the masonic curse over him had been broken, and that he felt free in his spirit; also that he was seeking to reach out in his own area'

For the openings at the homes in Heamoor Cornwall as the Bible Delivery team began visiting

- ✓ A number of people have turned towards Jesus, and asked Him to forgive them
- ✓ A Christian family was encouraged, and helped in finding Christian fellowship
- ✓ A number of people received prayer for healing, and experienced the touch of God in their bodies
- ✓ A number of people received words of knowledge from the Holy Spirit which resulted in them opening up their lives to Jesus; in salvation, healing and direction.
