April 2020

These are amazing times.

Firstly we would like to thank you for your prayers for the Micah Mobile Ministries Reaching Others conference at the beginning of March.

There were about 30 different people who attended over the five sessions and it was great to hear the comments and questions during the break times.

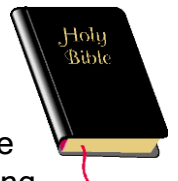

All of the people who spoke were a great blessing to listen to and we would encourage you to do so on the Micah Mobile Ministries You Tube account, <http://bit.ly/micahmobileministriesyoutube>.

We are thrilled to report that we are very nearly completed the Bible Delivery in Marazion.

This has obviously been put on hold with the current situation, but we look forward to finishing when restrictions are lifted.

Before the restrictions were in place we were thrilled to have 2 ladies from Marazion attending an Alpha course in Penzance.

Please pray for Sue and Tanya that they will continue to seek after God at this time.

The internet in general, and social media specifically have been our focus for the last 8 months and so at this time of 'lockdown' we are seeking to continue our efforts.

It's great to see many churches and pastors using the internet tools to care for, feed and keep contact with the wider Christian church.

Our ministry is different in that, that which we produce is aimed not at those who know Jesus, but those who have yet to meet with Him.

Please pray for the following programme which we are seeking to produce each week whilst all other things are at a standstill.

MONDAY Start the Week. This is a 10 – 20 min gospel message; usually shared by Keith.
Available on Facebook, Twitter and Periscope.

TUESDAY Changed Lives. This is the reading of a short testimony of a life which Jesus has changed. This is a joint effort by Keith and Pauline.
Available on Facebook, Twitter, Instagram, You Tube and Word Press Blog

WEDNESDAY Wednesday Wisdom. This is a short, 5-10 minute, gospel message using Scriptures from the book of Romans; usually shared by Pauline.

THURSDAY Who is Jesus? This is a 20 minute teaching about the life of Jesus through the book of Mark; shared by Keith and Pauline.
