

He has shown you O man what is good.
And what does the Lord require of you?
But to do Justice and to love Mercy,
And to walk humbly with your GOD

Acts 1:8 Evangelism Training Manual update

We have had the manual since May and we have already sold 80+ copies, and a number of sets of DVD's.

Please pray that people will not only buy and read the manual, but that they will begin to put the principals into practice as they continue with their various forms of evangelism.

Micah recently received messages from a pastor in Kenya who has received the digital form of the training manual, and this is his response.

Just to let you know that your manual training information of Evangelism will soon be given to my team as I will train them in the month of September. Am just going through it and understand it very well before training! I have already taken this vision to see that it work in Kenya Amen! We had a good door to door evangelism and we were able to reach 10 homes. Only three people gave their life to Jesus and one of them was a Muslim.

Please Give Thanks for the manual beginning to be used all over the world, and for the good responses that people are experiencing.

Please pray for all the ways in which Micah Mobile Ministries is seeking to encourage others to get involved in Evangelism. **The fields are white unto harvest, and the people in the UK are open at this time to hear that which we are seeking to share about the Good News of Jesus.**

Great Weekend in Bedworth

Keith and Pauline were blessed on their return from the DR Congo to spend the weekend with Stephen and Meryl Griffiths at The Little Chapel, Bedworth in the Midlands.

It was good to catch up with Stephen and Meryl after spending time with them in Cornwall for many years. Saturday morning Stephen and Meryl took KnP over to Coventry House of Prayer which is an amazing place and such a blessing to have visited. Saturday afternoon, and Saturday evening KnP were able to share concerning their journey with the Lord also share fellowship over the tea time with the folks from

The Little Chapel and some visitors from other places around.

Sunday morning the Holy Spirit truly led Keith as he shared into the service concerning Seed Sowing. Although Keith has preached this word on several occasions there was a real sense of the Holy Spirit guiding Keith's thoughts and words for the people who were present.

The weekend culminated in a time in His presence, worshipping, sharing and praying on the Sunday evening before KnP began the journey back to Cornwall.

Micah Mobile Ministries is once again seeking to have a time for sharing with supporters, and will be meeting in Cirencester. The Trustees and workers will be present and we would love to have as many of you to join who are able to do so.
