

Prayer and Newsletter August 2015

Displays throughout August

Micah Mobile Ministries have been privileged to take part in a number of displays during August.

We began at the beginning of August attending Creation Fest. The organisers were gracious in inviting Keith and Pauline to share with the gathered volunteers concerning the need for prayer and the Holy Spirit whilst seeking to reach those who don't know Jesus.

The Micah team also put up a display of the Acts 1:8 Evangelism Training material.

Folks lining up for their volunteer packs next to the Micah display. Keith had great opportunity to share with lots of people concerning the work and the possibilities for evangelism.

The kindness of the Creation Fest staff continued by allowing Micah some space on a table in the resources area to display and sell the Acts 1:8 Evangelism Material.

Micah Mobile Ministries do thank the Creation Fest staff for their support of the ministry, and the saints in North Cornwall for somewhere to lay the wheels of the motorhome. It was good to be sharing again in the northern part of the Duchy.

The second opportunity to display was unexpected, but the ministry were invited to a churches together coffee morning at Escalls Chapel and welcomed to put up a display.

This gave opportunity to share concerning the work and to arrange a display. This was particularly helpful as it gave chance to use the new projector which has been kindly given to the ministry to use with both power point presentations and video displays.

As was pointed out to us, at the Christian Resources Exhibition in Exeter in February, there is room on one of the display banners to show a slide show or video

Due to the generosity of a couple who support the work, we were enabled to use this new tool.

Others working with the Ministry

Micah have been thrilled this year to have Chris and Lin Hunneyball taking a display and material to the Catalyst event in Heartlands, Cornwall, and Greg Husband taking a quantity of training materials to the Raising a Standard Bible Week at a campsite in Worcestershire.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

We continue to have many copies of the book downloaded on Kindle, and we have noticed that other websites have the Acts 1:8 Evangelism available to download.

And so to the One Event!!!!!!

As August draws to a close and September rolls on, Micah Mobile Ministries is off to display the Acts 1:8 Evangelism Training material at the One Event on the Lincolnshire Showground over the August bank holiday weekend. This is the reason for this newsletter being slightly earlier than usual.

Why? You may ask are Micah Mobile Ministries so busy doing display work rather than taking out Bibles in many different areas. We are thrilled with the numbers of manuals which have been sold, downloaded and, we pray, used to train others in reaching out with the Good News of Jesus. Our only desire is to see many people empowered by God's Holy Spirit and encouraged to begin reaching out with the Good News of Jesus. It is not about Micah Mobile Ministries but all about the love and salvation which Jesus offers being shared with as many people as is possible, and if the principles shared in the Acts 1:8 Training manuals are of use to people, we would seek to see the training go as far and wide as is possible.
