Prayer and Newsletter August 2017

Still on the road!

July saw the Micah team visiting Fairford, Gloucestershire in preparation for the Bible Delivery training in September.

The team were able to have discussions and prayer with the Pastor and leadership team at New Life Church Fairford. The congregation from the church are going to be working with other churches in the area to be outreaching to the community in September and **MMM** are privileged to be working as part of that.

Sunday Keith and Pauline were able to share into the services at New Life Church Fairford in the morning, and Cirencester in the evening. It is a joy for KnP to meet up again with people that they have spent time with sharing the Acts 1:8 Evangelism Training, and a further joy to see them continuing to seek to reach out in the communities where they live.

The team are very much looking forward to being with the folks at Fairford in September.

Please pray with us for the training in Fairford, and the continuing work of the church in Fairford reaching out into the community.
