August 2018

We're so encouraged we want to share the whole story!

From April the 22nd to June the 24th Keith and Pauline were doing the Acts 1:8 Evangelism Training at the Engine House, Redruth, in Cornwall. They were joined by 8 people on a regular basis over the 10 weeks.

After the teaching on using the gifts of the Holy Spirit in evangelism a number of the people present asked the Lord for the gifts to enable them to reach out more effectively.

One of the people on the course shared with Keith and Pauline that they had been seeking to move in Words of Knowledge  to share with people the love of God.

The person went onto share that they had spoken to two people who did not seem to resonate with what the person had shared, but they were encouraged, by Keith and Pauline, not to give up, but seek to hear God more clearly.

It was with great excitement they contacted Keith and Pauline to share that they had spoken to a person they had known for some time, and whom they were  about to leave behind as they were moving house.

They shared a Word of Knowledge about a pain in the person's knee.

The person concerned was quick to respond to the word, and received prayer, for healing,  but the real icing on the cake was when they asked Jesus to forgive their sins, and turned their life over to Him. There was a party in heaven, and quite a shindig down here.

The Workers and Trustees at God is doing with the is offering, and there is people using the training and out in faith.

are always encouraged to hear what teaching and training that the ministry nothing more exciting than hearing of seeing what Jesus will do as we step
