

**O, people, the Lord has told you what is good, and this is what He requires of you:**

**To do what is right**

**To love mercy**

**And to walk humbly with your God**

Micah 6 v8 NLT

## **Prayer and Newsletter December 2013**

*Micah Mobile Ministries* wishes all its supporters a blessed Christmas season and the blessing of His presence through the year ahead.

### **Prophetic word**

Friday November the 8<sup>th</sup> Keith and Pauline were walking through Penzance whilst on their day off; when Keith believed the Lord spoke to him.

He believes that the Lord shared with him that we are at this time living in a season whilst there is a **window of opportunity to preach the gospel, to open hearts, and to get my word out into the land. However this is for a season, and the time is short. At the end of this time I the Lord will shut the window.**

Whilst praying into this the Lord gave Keith a sermon entitled Open Windows, and this will be available on Sound Cloud and hopefully on the Micah website.

Keith has found an openness on the doors which he has not known the like of before. The following picture is of a gentleman whom Keith and Maureen met whilst out delivering Bibles in Alverton, Penzance.

This is Jim receiving his Bible from Maureen. He shared with the team that he had trusted the Lord some time before, but had not as yet visited a church. He

knows Jason Ward, the Pastor at Hope Church, Alverton and we are praying that he may have the desire to meet with other Christians.

### **Micah Mobile Ministries Across the UK.**

In 2015 MMM is hoping to take Trekeef and travel from Land's End to John O'Groats. Is this a holiday I hear you all cry, well not exactly. The idea is to visit all the places where MMM has done the Acts1:8 training and hold Micah meetings to share concerning the work and to promote the Acts 1:8 training manual intending to get more people involved in sowing the seed of God's word across our land whilst we still have the time and the freedom to do so.

If any church or Christians reading this would be interested in having the Micah team and Trekeef

to visit them and share concerning the work please let us know so that the admin staff can begin to plan the journey. A poster concerning this is on the second sheet, and we planning to be travelling from April to July.
