

Prayer and Newsletter December 2016

New Things

We often hear people quote the verses from Isaiah concerning the Lord doing a new thing, and this last month we have really seen that come to pass, in the work of MMM.

KnP attended a Prayer and Share time hosted by Ambassadors for Christ, and the speaker was sharing about the use of social media to spread the Good News.

He shared concerning using Facebook, Twitter and

Periscope.

When Keith realised that he could preach 'live' to as many as were interested enough to watch, he was away. Before the weekend was out Keith had shared his testimony on Periscope which was then advertised on Facebook and Twitter. (The first attempt was audio only as Pauline had the camera on the I-Pod facing the back of the I-Pod cover rather than Keith's face, but at the second attempt we were able to see as well as hear him!)

Keith is going to put a sermon a week onto this media. From the first attempt about 26 people took some time to view a little of the broadcast, and there were two interactions during the broadcast.

Please pray for this new venture of sharing the Good News. Pray that any, and many, who need to know Jesus will, on searching the internet find Jesus for themselves.

We are beginning to see some of the ways in which these modern methods can be used to share and spread further the Good News of Jesus. It certainly is a lot warmer than going door to door in December, but that does not mean we will not be heading out to do Bible Delivery in the New Year.

1 Corinthians 9:22 When I am with those who are weak, I share their weakness, for I want to bring the weak to Christ. Yes, I try to find common ground with everyone, doing everything I can to save some.

Keith and Pauline also received a friend request on Facebook from an evangelist in Pakistan; having seen other friends who knew him, they accepted the request from Shahzad. Shahzad asked to contact KnP on Skype, and during the conversation asked Keith if he would be willing to preach the Good News of Jesus in Pakistan via Skype.

Keith, always keen to preach the Good News at every opportunity, said yes.

Wednesday November the 23rd saw Keith preaching in Pakistan from the cottage where we live.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

Praise God the broadcast and the following prayer was well received, and the evangelist in Pakistan has asked Keith to preach the Good News again the following week.

Please pray for Evangelist Shahzad and the opportunities to share the Good News. Please pray that the Lord guides Keith by His Holy Spirit in sharing the word and praying for the people.

Preparations for the future.

The work of MMM will always be to see the Good News preached and people challenged to accept Jesus using whatever way that is possible.

Up to this time there has only been Keith and Pauline working for the ministry, but thankfully an army of volunteers who have given time, energy, money, and a million other things to see the work continue.

MMM are grateful to Tim Pettingale for the work he has done in publishing the Acts 1:8 Training Manual, and Kevin Whomes for the printing of it. We have recently ordered and received a further 1,000 copies of this manual; in readiness for the work next year.

Also many thanks to Graham Popland and Tim Netherwood for keeping the ministry supplied with DVD's for the training programme. MMM have just received and put together 200 sets of DVD's ready for the exhibitions which the ministry will attend this year.

Putting the DVD's into boxes ready for use.
