

Prayer and Newsletter December 2017

New on the Website

From the beginning of November Keith has been preaching through the Seven Churches of Revelation, and by the end of the month all these sermons will be available on the **MMM** website, www.micahmobileministries.org.uk.

We would encourage you to use the **MMM** website, Facebook and Twitter pages to keep up to date with the ministry activities. It is amazing how quickly we can get information out people these days.

When the ministry began we sent out a written and printed newsletter in which we sought to inform you on a monthly basis concerning what we were doing and the areas which needed prayer.

Now, even though we still produce a quarterly paper copy of the newsletter, we produce this monthly email newsletter, but even more up to date we inform through the medium of the website, the Facebook page, and Twitter accounts.

With all the changes taking place, in our nation and the world, at this time it is easy to become concerned as to where things are going. In these times it is important to remember that our commission as His people remains the same.

Therefore, go and make disciples of all the nations, baptising them in the name of the Father, and the Son and the Holy Spirit.

We are thrilled to share that this work is continuing on many fronts.

1. We continue on a weekly basis to work with local church in the Penwith area of Cornwall to go door to door offering a free Bible, testimonies and the Good News of Jesus.

The **MMM** team are helped in this venture by an evangelism team from Shekinah Church Penzance, friends from Milton Keynes who produce the testimony tracts, friends from Bedford who produce the free DVD's, friends around the country who store Bibles, **and yourselves as you pray for the work.**

2. At least twice a year the **MMM** team have been able to hold 10, 2 hourly, weekly training sessions; offering local Christians the opportunity to be trained in various forms of Evangelism using the Acts 1:8 Evangelism Training manuals. Through this around 20 people have been given further tools to help them in their evangelism activities.
3. On three occasions the **MMM** team have been enabled to take a display stand to Christian events around the country, and share with a wider

The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.

audience the possibilities which are available for local church, or individual Christians, to use the training. At least 350 pieces of material have gone out in these three venues.

We continue to see the importance of training others so that the whole church will be mobilised to see the Great Commission fulfilled. In respect of this the **MMM** team will, in January, be beginning teaching through the Acts 1:8 Evangelism Training using Facebook live from the **MMM** Facebook page. There will be further details concerning this on the next newsletter.

The team is also considering the opportunity of teaching the training through Skype, and if anyone would be interested in receiving the training

in this way please
contact us either by email,
micahmobileministries@outlook.com
or phone 07876 362872.

We ask that you will continue to pray for us as we look to the Lord for direction in the next year.

We will inform you further in the next mailing concerning our needs for 2018.

Encouragements

Whilst Keith and Pauline were walking around the supermarket one day, Keith caught up with Pauline and said,

'Who's that lady over there? She keeps smiling at me.'

Pauline didn't recognise the lady, and when she went past the lady there was no sign of recognition.

A little after that the lady once again caught up with Keith and said,

'It is you isn't it?'

Keith replied that he was sorry but he didn't know her.

She said

'Madron'

At that point Keith moved in a word of knowledge as the Holy Spirit reminded him of the lady's name!

The lady continued with the following statement.

'I shouldn't have been at home the day you called, but I'd had a cold and was taking the day off work. When you and the lady came and said what you did I knew God was speaking to me, and I thank you so much for coming that day. It has changed my life for the better.'
