

Micah Mobile Ministries News and Prayer Letter

February 2014

He has shown you O man what is good
And what does the LORD require of you?

But to do justice and to love mercy
And to walk humbly with your God

Training Manual

Many of you have been praying for the production of the Acts 1:8 Training Manual. We thank you for your prayers and we are thrilled to report that the digital copy is completed. This was placed on Kindle at the beginning of the year and as of the 20th of January 222 copies have been downloaded. These include downloads from the UK, Germany, India, Italy, Canada and Australia, and a great number from Amazon.com which covers many different nations. It is available from Kindle store for the sum of 77p.

Our prayer now is that this manual will not only sit in people's electronic devices but will also be used to train people to spread the

Good News of Jesus around our nation and the world.

We are in the process of making enquiries concerning the production of a paper copy. We will inform you further when this is available.

Please pray

- **For those who need to see it on Kindle will do so**
- **For the production of the paper copy**
- **That people will take it and use it to further the spread of the Good News of Jesus**

What now?

The production of the manual has made it possible for people to take the training and use it in their churches, or in their Christian groups without the need of a MMM rep being present. We see this as the way to see things expand.

This does not mean that Keith and Pauline are sitting on a Caribbean beach with their feet up and working through the list of things that Pauline has always wanted to do!

Keith and Pauline are still available to take the 5 week Bible Delivery training, but also see the possibility of offering to have a time to train people who want to train others. They are seeking to put together a 'training trainers' course which hopefully will be available for next year.

Please pray

- For the development of a training trainers programme
- For wisdom of location where to offer this
- For those who are trained to implement what they have learnt

Web-site

MMM have been grateful to Ali Luke for the wonderful job she does with the Micah web-site. Another job which needs to be done is for Keith and Pauline to spend some time updating the information on the web-site as there have been a number of changes since the last update. This will be a February job.

Please pray

- For Keith and Pauline as they examine the web-site; that all that needs to be altered.
- For Ali Luke as she makes the alterations
- For people from around the world to visit the web-site and receive help in reaching out with the Good News of Jesus

Because of the grace of the Lord we are able to give you the diary dates for most of the year. If Jesus does not return before this year is out!

Please pray

- For all the events in the diary
