## Prayer and Newsletter February 2015

### Micah away in Exeter

ing to have two of the  
the Trustees working  
together at the  
Christian  
Resources  
Exhibition in  
Exeter.  
Micah was further  
blessed with the  
two banners  
duced for the occasion  
n logo. Many who have

commented on the design have said how they believe it will have a bolder impact, and gives the sense of the mobility of the ministry. It was great to meet up with some 'old' friends and to meet many new folks, some of whom showed great interest in seeing evangelism implemented in their churches. **We are needing to see people hungry to reach out to those who don't know Jesus**

**Please pray for an awakening in God's people and a willingness to share the Good News of Jesus.**

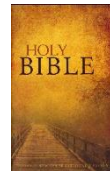

### Micah away in St Erth

February the 21<sup>st</sup> saw the team up and ready to begin Bible delivery in St Erth, and Sunday the 22<sup>nd</sup> saw KnP attending services in both the Anglican and Methodist churches.

It was a thrill and privilege to be asked to share into the Anglican service concerning what they were about to be doing and to have the Bible Delivery work talked and prayed about.

KnP had previously been to take the service at the Methodist church and had been able to share there about the proposed work.

It is so encouraging to know that many of the Christians in St Erth have been praying for the street or area where they live; in preparation for the Bible Delivery, and when you receive this newsletter the distribution will have begun.

### Please Pray

1. For the Bible distribution and the Bible distributors and prayer support team.
2. For the people of St Erth to be spoken to by the Holy Spirit and to receive God's word in their homes and hearts.
3. For Eugene, a gentleman who lives in the village.
4. For some of the people in the village who are actively opposed to faith. Please pray that they will have opportunity to meet those who know Jesus.

**Extensive Diary**

We are putting the full possibilities of the diary down, more for your prayer than a statement that all these things will take place in the way they are set out!

This includes all that Micah has planned and also KnP, so that you may have some idea where we will be! Not that Pauline is sure all of it will happen, and Keith won't know where he is even when it is happening!

Items in **bold** type are booked and should happen, items in standard type are expected to happen, but not all the details are yet worked out. **Please pray**, and we would be grateful to receive any thoughts or insights you may receive as you pray.
