Prayer and Newsletter February 2016

Teaching people to fish!!!!!!!!!!!!!!

A great time was had at Degibna Chapel during the prayer week at the beginning of January, and the Lord shared a number of things with those who gathered.

The Lord reminded Pauline of the illustration concerning feeding hungry people.

'If a man is hungry, and you give him a fish, he is satisfied for a short time, but if you teach him to fish you have given him a skill which will enable him to fish for himself when he is hungry'

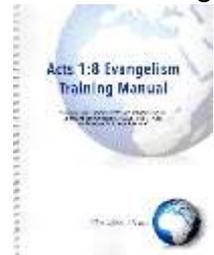

It is so easy for evangelists to 'go and get on with it', but the Lord was clearly showing each of the evangelists gathered there that He was calling them to pass on their gifting's, and train the church to 'fish' for themselves so that more and more people will hear the Good News of Jesus.

One of the words which came to the gathered folks praying was 'consultants', those who use their expertise to train others, who will go on and do the work themselves, but also improve on that which has been taught to them.

We are aware in MMM that through the years we have used various methods to reach the people. We began with Keith and Pauline doing the work together, and then the Lord graciously added local Christians and made a team of various numbers of people. KnP and the ministry were thrilled when local churches became involved and started to support the work in their areas.

In 2010 the idea of offering local churches training and then releasing them to do the work in their areas came into being. This was further advanced when the Acts 1:8 Evangelism Training manual and DVD's were produced which enabled people to work in their own areas without any of the MMM personnel being involved.

We have effectively
sought to teach people to
'fish in their own areas'

Does this mean that MMM will no longer be going out and doing the work?

NO!

Pauline would not what to do with Keith if she did not keep him busy!
MMM would love to see the work expanding and others joining in using this method of fishing all over the world

The diary for this coming year is over the page, please pray and support where you can.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

Further plans for 2016

KnP are seeking to use their time wisely. As time progresses they are hoping to take bookings to expand the work, but whilst doing this they are also going to continue to take out Bibles in the far SW of Cornwall.

Pauline is also hoping to continue to produce some further booklets which she will eventually put onto Kindle.

A reminder that we have a group of people who receive prayer points from us, by text, as and when we have specific needs. If

you would like to join these people in this prayer group please contact us on our phone
