## Prayer and Newsletter February 2017

### Another amazing and encouraging January

We have seen God's blessing in so many different, but encouraging, ways.

#### 1 Evangelism Discipleship Course

The new course began early in January, and it's amazing that as we write this newsletter we are nearly half way through.

Each group is different; as each group of people are different. Each person who comes on the course have a different person or group of people that they are seeking to reach with the Good News of Jesus. The course is so written and designed to bring out the principles of evangelism, and is therefore of use whichever form of evangelism people are seeking to do. The one uniting factor is that everyone who comes on the course is seeking to share the Good News with others.

It is vital for the extension of the Kingdom of God that

each of us as Christians grasp the importance of sharing the Good News with others.

The teaching, although obviously the same words, is taken by the Holy Spirit and used to address the individual needs of each one attending the course.

KnP are thrilled that some of the people on the last training course are keeping in touch and sharing the opportunities that they are taking to share the Good News, and Keith is able to continue to link contacts for some of these folks, and share in prayer for various projects they are involved with. That is the importance

of seeing each of these training opportunities as discipleship, and not 'just' a teaching time.

#### 2. Bible Delivery

The team who had faithfully served in Bible Delivery during the last year, returned full of 'get up and go' ready for the New Year.

MMM continue to work in the County Parish in Penwith, and are beginning to see the time for completion drawing near. All the day time visits in the village are complete, and about 60 properties are awaiting lighter nights to commence evening visits. We continue to visit, and are now spreading out to reach the even more rural areas in the County Parish.

Please pray that we will be enabled to find all the properties 'hidden' in the wilds of the County Parish.

MMM thanks you all for your prayer support. It has encouraged the team to see the positive response from the people in the village. We have been further encouraged with the support and welcome from the local churches. Their lent course this year is based around the Bible, and some local 'notables' are being invited to share which is their favourite book of the Bible and why?

KnP are already beginning preparations for beginning the next area for delivery.

They have had an encouraging visit to the local vicar and are sharing with local Christians their intentions.

The Lord has told you what is good,  
and this is what He requires of you;  
To do what is right, to love mercy,  
and to walk humbly with your God.

### 3. Using Social Media to share the Good News

Keith is continuing to speak each Friday on Facebook Live and Periscope, and we have been very encouraged to have over 200 people a week watch some or all of the presentation. The talk is entitled 'Thank God it's Friday' and is usually on air around 8.30-9am, but then available to view after that.

### 4. The Diary

The diary is filling up and we are aware that we want to be doing the things that Jesus wants done and not just to fill the diary.

Please pray for all the events planned on the diary, that it may be what the Lord wants.
