Bible Delivery

This iconic picture is all that some people know of Marazion. When in fact **there is a village community of about 1,500 people who need to know Jesus.**

The Bible Delivery work is continuing in Marazion, and the team is meeting on a weekly basis.

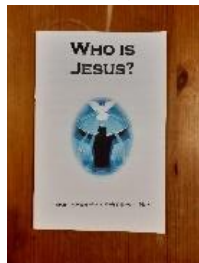

About two thirds of the village has now been visited and a number of people have turned towards the Lord, and some have received healing in Jesus' name.

After prayer, the Micah Mobile Ministries team, have decided it is important to offer the opportunity for people to continue to explore the Christian faith, and either come to faith in Jesus or grow in Him.

✓ **Please pray.**

Each Tuesday, 2pm at Trenance. Fore St. Marazion.

There will be a Bible Study looking at the life of Jesus and based on the book of Mark, entitled '**Who is Jesus?**'

✓ **Please pray**

For the Bible Delivery team as they continue on offering a free and share the Good News of Jesus with the people of Marazion.

Encouragement in Training

It is always encouraging to be asked to teach either the Acts 1:8 Evangelism Training or the Reaching Others training and this early part of 2020 the Micah team will be involved with both.

Reaching Others

As we continue the training with a group from Penzance Light and Life Church. We have one session on February the 24th to complete this training.

The Micah team will begin the **Reaching Others** training at **St Just Free Church, Bosorne Terrace, St Just, TR19 7LY on Monday January the 27th at 2pm -3pm**, and will complete the training on Monday February the 24th.

Acts1:8 Evangelism Training

✓ Please pray

The Micah team will begin the **Acts1:8 Evangelism Training** on **Tuesday January the 28th 9.30-11.30am in Penzance**, and will complete the training on Tuesday March the 31st. For further details please contact Micah Mobile Ministries either by email or phone 07876 362872

Not all training takes place in the UK. The following picture was taken in Malawi by a pastor who gratefully received the training package and is now using it to train his congregation.

Internet Evangelism

The Micah team have been so encouraged with the work that has taken place on the internet, and we hope to give greater details of that work in the next newsletter, but the team was further encouraged to receive the following email correspondence from Paul Fenton, the gentleman who lit the internet spark which became a raging fire of opportunity, in Keith's, and later Pauline's, hearts.

Paul

Wow just been seeing your periscope stats amazing God is really blessing you guys. Praying for even greater reach 🙏

Pauline

We've been thinking about changing our day from #ThankGodItsFriday to a Monday #StartTheWeek. We're not sure if it's better to continue with what's known or do something new. We'd appreciate your thoughts when you've time.

Paul

I think you should do both you're doing really well the Lord is blessing this

Pauline

Thanks for that. When do I get to retire?

Paul

Heaven 😊

Thanks Paul
