

The Lord has told you what is good, and this is what He requires of you to do what is right, to love mercy, and to walk humbly with your God.

## Prayer and Newsletter

### January 2015

#### Welcome to a New Year, New Logo and some New Ventures

Micah Mobile Ministries is excited about what the Lord will be doing in and through the ministry in 2015.

#### New Logo

As the more observant amongst you will notice we have a new logo. We are seeking to update our look, without losing the most vital part of our message.

The logo reminds us that this is a mobile ministry, with its 'go faster' stripes on the M (Pauline is busy reminding Keith that it refers to the mobility of the ministry and not the speed at which he should drive the motorhome!!!)

Even more importantly than the mobility of the work is the scripture this ministry is based around.

#### Micah 6 v 8

The Lord has told you what is good, and this is what He requires of you to do what is right, to love mercy, and to walk humbly with your God.

Please pray that Micah will continue to seek the Lord in all areas of the ministry.

#### New Venture

With the publication of the Acts 1:8 Evangelism Training Manual it was decided that one of the ways to publicise, not only the publication, but also the training opportunities the ministry offered was to attend the Christian Resources Exhibition in Exeter.

#### The Micah stand will be there Tuesday and Wednesday February the 10<sup>th</sup> and 11<sup>th</sup>

The stand will be manned by two of the Trustees and two of the workers and we would be thrilled if any of you are attending that you come and make yourselves known to us.

Please pray that the Lord will make the right openings, and that those for whom the training will be of benefit will meet up with the Micah team.

#### New Opportunity

Micah's vision has always been to seek to reach people **Where They Are**, and with that in mind a team from Micah will be involved in Bible delivery in the village of St Erth from February the 21<sup>st</sup> until March the 27<sup>th</sup> 2015.

Micah has had connections with the folks in St Erth Methodist Church for many years now,

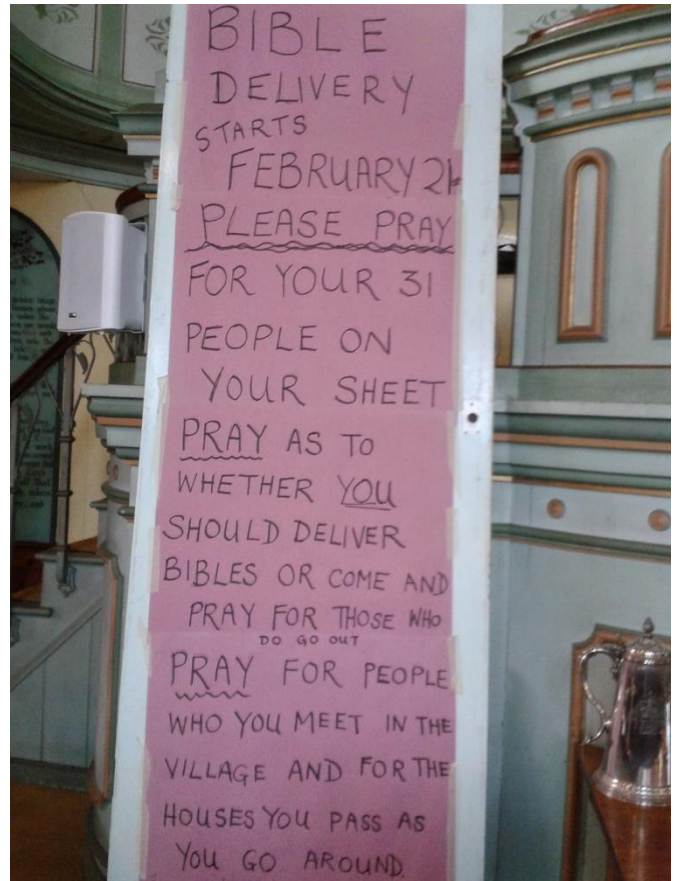

**The Lord has told you what is good, and this is what He requires of you to do what is right, to love mercy, and to walk humbly with your God.**

and they have for some time been interested in taking Bibles out into the village of St Erth.

The folks at the Methodist Church have been negotiating with the folks at the Anglican Church in the village so that the Bible delivery will be a venture run in connection with both churches.

There has been much seed planted in the village over the years. A team led by Terry Higgins took out DVD's, and a team from Walk Cornwall also worked in village during their recent time in the Duchy.

Keith and Pauline were so encouraged when they recently visited the chapel to see the following notice posted at the front of the chapel and listed in the chapel notices

**Please join the folks at St Erth as they pray for their village and for the Micah team as they join with them to share the Good News of Jesus with the people of St Erth, where they are. Please pray specifically for one gentleman who was witnessed to during the Walk Cornwall and who has expressed fervent atheistic views when meeting up with Christians. Please pray a lady who has links with the chapel who has also expressed a similar viewpoint.**

**The Lord has told you what is good, and this is what He requires of you to do what is right, to love mercy, and to walk humbly with your God.**
