

The Lord has told you what is good,  
To do what is right, to love mercy,

and this is what He requires of you;  
and to walk humbly with your God.

## Prayer and Newsletter January 2016

### New Year, New Thoughts

May the Micah team take this time to wish all our supporters every blessing throughout this New Year, and the joy of the presence of the Lord in all you do through the year ahead.

### India

As promised in the last newsletter we will report concerning the time we spent in India at the end of last year.

The Micah team were blessed to spend two weeks in Vijayawada staying with Chanti and Lily Karini. We were well looked after and an amazing programme was planned for us; which included, Church services, a Pastor and leaders conference, Village Gospel meeting, visiting church members and the dedication of a village water bore hole. The team were also privileged to see the work Good News Ministries are involved in working with orphans and widows. The second Sunday the team were in Vijayawada we were able to visit New Covenant Church and Pastor Hamilton Tully, whom Keith and Pauline had met many years previously at the Raising a Standard Bible Week in Worcestershire.

### Leadership Conference.

A day's conference was planned to share the Acts 1:8 Evangelism Training

programme with 50+ pastors, evangelists and leaders. There were estimated to be around 300 people present, rising to around 400+ by the evening time.

The group of leaders gathered first thing in the morning and Keith and Pauline were able to share some of

the teaching from the manual. Keith shared further in the afternoon and Keith and Nigel shared in the evening. There were also a number of opportunities for the team to pray for those who expressed a desire to receive prayer for the further filling of the Holy Spirit, healing and deliverance.

During the day, and in the evening meals, both spiritual and physical

were served to the visitors. The above photo shows Keith preaching and Chanti translating

It was great to see our brothers and sisters becoming 'lost in wonder, love and praise,' as we shared together in worship.

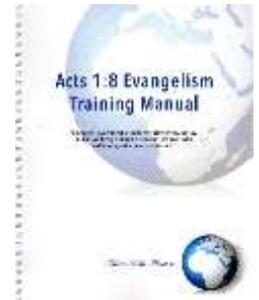

After the preaching the Lord graciously kept His promise and we saw signs following as the team prayed for people.

There were so many highlights during this last year that it is difficult to remember and share them all, but we do remember with fondness the time at St Erth in Bible delivery.

The various venues around the country as we sought to make the manual known to people and offer to help groups of Christians and churches seeking to reach out in their own areas.

The long trip from Land's End to John O'Groats and back. Praying, praising and visiting places where Bible delivery had taken place, and in some cases was still continuing on.

The two months spent in Burton upon Trent, training a large Bible delivery team and seeing them beginning to continue delivering Bibles in their area.

Then finally the trip to India, again seeking to share the Gospel with all who would listen and encouraging others to continue reaching out in their own areas with the Good News of Jesus.

**What of the year ahead?** The Micah team will be back 'on the road' again in February and March training a team from Fore St Camborne in Bible Delivery, and then seeing people there continuing the Gospel story as they **seek to reach out to people where they are, and give opportunity for everyone in a community to hear the Good News of Jesus.**
