

The Lord has told you what is good,
And this is what He requires of you;
To do what is right, to love mercy,
And to walk humbly with your God.

Prayer and Newsletter 2017

New Year,

2016 has been a momentous year in so many different ways, and the Lord kindly reminded us of the scripture in Isaiah 9: 6 & 7.

For a child is born to us, a son is given to us.

The government will rest on his shoulders. And he will be called: Wonderful Counsellor, Mighty God, Everlasting Father, and Prince of Peace.

His government and its peace will never end.

He will rule with fairness and justice from the throne of his ancestor David for all eternity.

We praise God that the Government of our lives, our nations and our world is on His shoulders, and **He is dependable, reliable and is concerned for us. God is not an absentee 'landlord'.**

Let us pray together for Jesus to rule and reign in our own lives so that we may be used of Him to sow seeds of right living, mercy and humility throughout our world

2016 has been a year of many changes for KnP, personally, but also for the ministry.

KnP moved from a mobile dwelling into a bricks and mortar property, and this has been a great blessing to them.

The cottage has enabled them to use the property for training sessions, and a place for the team to use for prayer whilst the Bible Deliverers are out taking Bibles.

Let's pray together for the Acts 1:8 Evangelism Training Sessions. That those who go through the training, here in Cornwall, or around the world using the Manuals and DVD's, may continue on and use the information they have gained.

The cottage has also given opportunities, technologically, for new things for the ministry, with the use of Facebook live, Periscope, Twitter, and Skype. MMM has been able to share in services in Pakistan through the use of preaching via Skype. Keith has been able to preach a number of times on Periscope and Facebook Live, and we are praying that the Lord will use these preaching sessions to reach people who don't know Jesus with the Good News of Jesus.

Not everything the Micah team has been involved in doing is 'virtual', the Bible Delivery team continues to have a great reception in the area where they are working, and they will continue on into 2017. We are praying to see many people in the area come to meet Jesus, and go onto grow in Him.

The Lord has told you what is good,
And this is what He requires of you;
To do what is right, to love mercy,
And to walk humbly with your God.

Let us pray together for people who hear the Good News of Jesus on Social Media will come to faith in Jesus and then connect with local Christians.

We see that this new year is bringing further opportunities to serve the Lord enthusiastically, allow people to come to faith in Jesus, and see the Lord open new doors and ways that we have not yet imagined.

When KnP think back, this time last year, they had no expectation that they would have left their nomadic life, and sold their van, moved into a God given property which has been so useful in furthering the work of the Kingdom; it is 'mind blowing' (yes Pauline did actually use that phrase!!!!) to imagine what the Lord may do in the next year, and we do welcome all that He will do.

Let us pray together that we may all remain open to what the Lord is doing in us and through us during this coming year, and let us face the year with excited expectancy and not withering dread.

Our God is a good God and the government is on His shoulders.

We thank you for your continued support and wish you all the blessing of His presence in all you do and say through the year ahead.
