

The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.

Prayer and Newsletter July 2017

Using Social Media

As many of you know Keith has, for 6 months, been sharing the Good News of Jesus each Friday morning for 15 minutes on both **Facebook** and **Periscope**.

We're thrilled to say that between 200 and 450 people each week have watched some or all of the broadcast.

Please pray for those watching these who don't know Jesus; that they may yield their lives to Him.

From the beginning of October, Keith and Pauline will be teaching through the Acts 1:8 Evangelism Training Manual in 20-30 minute sessions on the Micah Facebook page and Pauline's Periscope page.

Please contact us if you need any further information about accessing these materials.

Please pray that many people will see and hear this teaching, and that they, too, will begin to implement the principles in the evangelism they do. So that many will come to faith in Jesus as their Saviour and Lord.

MMM Deputation tour

Mid-June saw Keith and Pauline setting off from Cornwall to share what the Lord has been doing through the work of **MMM** over the last

few years, and to share afresh with people who have either been trained or have supported the work.

The first stop on the tour was South of Reading Christian Fellowship, and a productive and inspirational evening was held with many of the people present reporting how helpful they had found the message Keith shared and the information about the work.

It's a joy to meet again 'old friends', but also a thrill to meet younger people who have a heart to spread the Good News of Jesus to others.

After the evening service, Keith and Pauline moved onto stay with Tony and Margaret Brown, two of **MMM's** trustees. Here they were encouraged to hear of one of the older members of the Southam Fellowship, who on having Tony to amend something on his computer, shared that each week he was listening to Keith sharing on **#ThankGodit'sFriday**.

The next move was further north to East Yorkshire. Keith and Pauline were privileged to have a **MMM** evening which was held at the Market Place Pentecostal Church in Hornsea, and then Keith preached at Holderness Community Church in Sproatley, East Yorks. This church is dear to Keith and Pauline's hearts as this was where they pastored a small fellowship for 8 years, and Holderness Community Church was the first place to hold an Acts1:8 Evangelism Training session.

**The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.**

Keith and Pauline stayed with Martin and Beryl Senior, a further two of **MMM**'s trustees.

Through the years it has been a blessing to be supported by 11 trustees that have served on **MMM**'s board of Trustees. Each member bringing an important and useful function to the growth of the work and support of the workers. Even without the use of the motorhome, **MMM**, this month, has seen the ministry truly 'mobile' again.

The ministry moved onto The Hayes conference centre at Swanwick, where for the last three years **MMM** have been privileged to share concerning the work of the ministry.

The last, but not least, place on the June tour was Burton upon Trent where both Keith and Pauline were born, grew up, met and married. *"It is always a pleasure to catch up with people who we've known for many years and hear the good things that Jesus is doing in and through them; also to be able to share with them that which the Lord is doing through the ministry."*

MMM continue to store the bulk of their Bibles at the KAN church in Burton and it was a pleasure to go to collect 10 boxes of Bibles and see friends and supporters.

Sunday saw Keith preaching at Kingsway church in the morning and Belvedere Christian Fellowship in the evening.

This newsletter contains news of the past month, and past friends and supporters; also people who have recently asked for the newsletter and are seeking to be part of the work of **MMM**. We believe that the Lord still has work for the ministry, especially through the use of the Acts 1:8 Evangelism Training manual, and next month there will be further information about ways in which you can prayerfully and financially support the work
