and

Prayer and Newsletter July 2019

As most of you know **Micah Mobile Ministries**, workers and Trustees, have been taking some time to seek the Lord about succession planning as Keith and Pauline are fast approaching the age of 70, one of them faster than the other. 😊
KnP spent some time, specifically seeking Jesus for His plans and purposes for themselves personally, also for their work within the ministry.

Over the next couple of months we would like to share with you what they believe the Lord has called them to do.

Micah Mobile Ministries really appreciate the prayers of our supporters through this time, and KnP trust you will become more and more excited about the new possibilities, as well as the continued work, of the ministry, and **we trust we will continue to be blessed with your interest and prayers in the future.**

The first area we will address is Bible Delivery

KnP were firstly involved in Bible Delivery in the little village of Aldbrough, East Yorkshire in the year 2000. As part of Holderness Community Church they visited each home in the village (approximately 500 houses), and offered them a Bible, and shared the love of Jesus with them. It was reported back to them that one lady said she would have preferred a mug thus proving that you can't please all of the people all of the time. 😊

So when the Lord established *Micah Mobile Ministries*

travelled down to

Cornwall in September 2002 the Lord opened up the vision to visit each house in the County Parishes of St Just, Hayle and St Teath, and offer each household a free Bible and a number of testimony tracts. In October 2001, and KnP

In April 2010 this work was finished and KnP asked, "what now Lord?", and the Lord opened up the vision to take the task of Bible Delivery further afield; also the extension of, not only doing the Bible Delivery, but also of training others in the way the Lord had established with them.

Initially the UK was 'their oyster', and a number of venues were visited, people trained, Bibles supplied at a reasonable cost, and then the teams left to continue the work.

It was not long before the UK widened out into a global work with visits to the Democratic Republic of Congo and the following year, Vijayawada in India

Micah Mobile Ministries are at present involved in Bible Delivery in Marazion in Cornwall, and are thrilled to report the openness with which the Bibles, testimonies, and team are being received. **BUT** on the completion of this area, Keith and Pauline believe their involvement in Bible Delivery with **MMM** will be completed.

That is not to say that **MMM** would not be willing to be involved in further Bible Delivery if the Lord called someone else to lead up a team.

Over the years **MMM** has delivered Bibles around

8 County Parishes (all in Cornwall),

9 Villages (Cornwall & the UK)

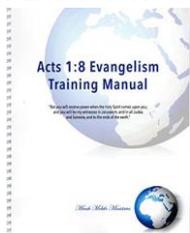

11 areas of different towns.
(Cornwall & the UK)

This is the area of the work, which KnP were called to do, and which will, for them, during 2020 be completed.

We will cover the next area, next Month

All 6 books on Kindle will be free from Thursday June the 27th to Monday July the 1st
