

He has shown you O man what is good
And what does the LORD require of you?

But to do justly, and to love mercy,
and to walk humbly with your God. *Micah 6 v 8* .

Prayer and Newsletter

July 2013

Those who have been supporting us for some time will remember the blessing Terry and Gillian were to Keith and Pauline whilst they were delivering in Hayle, and the introduction Terry gave them as they moved onto St Teath. Terry and Gillian 'retired' in about 2008 and moved back to Terry's home town of Plymouth.

Terry invited the Micah team to come to Peverell Park Methodist Church in Plymouth, and do a week's work of door to door Bible evangelism. This they agreed to do and this included a week's camping on the church car park (see picture above of Micah mobile office and accommodation) The team arrived Saturday, and were welcomed by the church on Sunday morning. They were involved in a healing service Sunday evening, before beginning Bible delivery on the Monday. Here is a report from Terry Higgins concerning the beginning of the work in Plymouth.

Over the years, retired minister Terry Higgins has been inspired by the Jesus Video Project. When he returned to what was home territory for him in 2009, he found two or three others from a church of about 60 members who were willing to help him. This team covered about six roads around the area of the church. Terry invited MMM to come, having got to know them well while ministering in Hayle and area (2004-9)

Vince.

God's work by His Holy Spirit began immediately. Leaving his home to walk through the park to church on the first Sunday morning. Terry was met by a man who wanted to know the way to the RC church. The route to the church was in the same direction and eventually

Vince decided that the Methodist church would be OK. The walk gave them ample opportunity for conversation. At church he introduced the man to Keith and Pauline, for it seemed to him that he had some needs which would be helped by Keith's testimony. They sat together for the service and Vince left with Keith's DVD testimony and various tracts, plus the first Bible!

On the doors

Full of apprehension, Terry began to go around with Keith on Monday morning. It was a new system for him which has been well grounded by MMM over the years. Key to the ministry is the use of the gifts of the Holy Spirit. During the first three days nearly 50 Bibles were given.

The Builders

At one house there was scaffolding in place for the painting of its front. Having been a decorator, Keith was well at home with the men. No one seemed to want to know about God or Bibles, but we talked with them, and each time we returned to that part of the road we were able to talk with them in a general way.

Recommitment

On this same morning, a dear lady was encouraged to listen and receive a Bible. Earlier in life she had been part of Sunday School, and when Keith offered her prayer to return to Jesus, she accepted.

Breakthrough in Church Relationships.

We called on a house; the lady opened the door and invited us in. Her husband, a youth worker with another church, joined us for the drink. Keith ministered in a beautiful way, and they both received prayer. The next morning Terry took Keith and Pauline to the Plymouth Prayer Meeting. As they sat in a particular place for the breakfast they were joined by two other people - who said they had heard about MMM's ministry the evening before!

Even after four visits.....

The Micah team recently received an encouraging letter of thanks when a Bible had been requested from the home owner receiving a letter from us after they had been out on all of four visits.

'Just a note to thank you for the copy of the Bible that you sent home for us. Apologies for having missed you when you called at our house – we must have been at work! We welcome this New International version so thank you once again.'

PRAISE AND PRAYER.

We have so much to thank and praise the Lord for also much to ask Him, let us not forget that which Paul states in,

Philippians 4 v 6.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your request to God.

- ⊙ Please pray that the Micah team will know the will of the Lord as they seek to see the vision implemented, and many going door to door taking out the Word of God and the Good News of Jesus.
- ⊙ Please pray for Keith and Pauline as they seek to produce the Acts 1:8 training, as a stand-alone, training manual. This is so that people can take the principles they have learnt over the years and then themselves continue the work of sowing the seed of His word and the Good News of Jesus.
- ⊙ Please continue to pray for all the different venues where Bible delivery is continuing.
- ⊙ Please pray for new venues to open up to the Micah training teams.
- ⊙ Please pray for others to catch the vision and be willing to train teams to take out the Word of God.
