## Prayer and Newsletter June 2017

### Giving thanks for the past, and going on to the new things!

We should always be grateful for all that the Lord has done for us in the past, but we cannot live in the past, and neither should we want to. Therefore this year's Trustees meeting was much taken up with,

#### What now for the future?

When looking back, we give thanks in **Micah Mobile Ministries** for all the people God has placed alongside us, and all the various functions they have fulfilled in God's perfect plans for the ministry.

The most important thing for which we give eternal thanks is **new birth**.

There is nothing more precious or more important than people coming to know Jesus, and **MMM** give thanks for the times when they have been privileged to take part in sowing the seed, watering the plant or seeing it come to harvest. At times **MMM** have been used of Jesus to see people grow in their faith and begin to step further in their growth in Jesus.

Again comes the question – **what now, what next?**

1. Keith and Pauline are continuing to lead a Bible Delivery team; which is at present delivering Bibles in the village of Madron in Cornwall.

2. Twice this year there has been Acts 1:8 Evangelism Discipleship Training sessions held in Marazion, and a further one is planned to begin in September, and will hopefully be held over lunch time.

3. **MMM** teams are going out to local churches across the UK to train them using the principles taught in Acts 1:8 Evangelism Training manual.

4. The aim of the ministry is to see people trained in all forms of evangelism, and then going out with the Good News of Jesus.

In respect of this **MMM** is seeking to spread the training as widely as possible.

Therefore the teams are going out to various Christian events

and seeking to spread the word concerning the training as much as possible.

The Lord has told you what is good,  
and this is what He requires of you;  
To do what is right, to love mercy,  
and to walk humbly with your God.

### And so to the future!

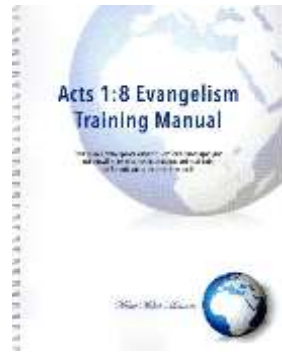

We are very aware that the future is in God's hand, and we are glad that is so.

As many of you know Keith and Pauline are the other side of 65+ years of age and know that although they are eternal, it won't be spent on earth.

When considering what next it is obvious that the work of the Training Manual will continue. The manual is available in paper form, and digital form on

Kindle.

The teaching is available in DVD's and on YouTube.

It is obvious that anyone seeking to continue the work will need expertise in use of the internet and IT skills.

**BUT** more than that they will need a heart  to reach out with the

Good News of Jesus,

and a willingness to die to their personal desires and seek first the Kingdom of God.

**Please pray for all that is likely to take place throughout this year, and all that God has planned for the future.**
