June 2020

Even in Lockdown

Praise God that His word is not chained.

We are free to read His word and now with the wonder that is the internet we can share that word with the whole world

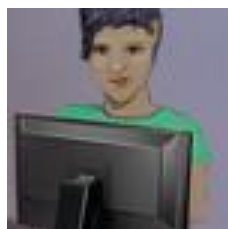

We are thanking God for His wisdom in showing us the opportunities available online, and giving us some time to learn how to use some of these to continue seeking

'To Reach People Where They Are'

This has been Micah Mobile Ministries strap line since its beginnings in October 2001.

This has been fulfilled in the use of the internet as we can hardly get any nearer to where people are than in their hands, homes, and through this time of lockdown

13, St James St, Penzance. TR18 2BT

Micah Mobile Ministries is a registered charity No 1088747

We are grateful to God, and Paul Fenton, for getting us in position to be able to use these resources at the time when we needed them. We are grateful that we had had these 2-3 years of learning before it became very necessary to use them.

Thank you

- ✓ **For your prayers for removing the difficulties of getting online in this time of massive use of the net.**
- ✓ **For being where we can use the internet with good connections.**
- ✓ **For the encouragement of all those who have responded in some way to the broadcasts which are gone out.**
- ✓ **For the responses in the way of people asking for further materials from the website.**
- ✓ **For the opportunity to spend some time in learning to use the camera equipment.**

Please pray

- **For the continued health and strength of the ministry workers.**
- **For wisdom in exploring the possibilities of working with overseas groups in producing teaching and preaching opportunities.**
- **For continued inspiration in new ideas of how to preach the timeless, and wonderful Good News of Jesus.**
- **For Holy Spirit revelation of what to do and where to go to give the greatest opportunity for people to hear the Good News of Jesus, and His work in conviction of sin in hearts and lives of people who are reached.**
