Prayer and Newsletter March 2015

Snippets from Bible Delivery in St Erth

One lady asked for prayer for her sister's baby who was in hospital, and the medical staff had said that the next 24 hours were crucial for the baby's survival.

The team prayed and a couple of days later the lady rushed up to them in the street and thanked them for their prayers. Telling them that the baby was well and out of hospital.

Many people have received the Bibles with thanks. One lady said she was just wanting a Bible when the team appeared and gave her a copy.

A lady who was only in the village for a short time was visited and caused to think again about her relationship with Jesus.

The team work in the village has been outstanding, and the number of activities being run in the village a credit to those who make themselves available to serve the people of St Erth.

One lady at church shared how encouraged her next door neighbour had been with the Bible delivery visit, and now she was going to invite her neighbour to church with her.

Over the time of delivery we have seen around 130 Bibles delivered. The St Erth churches have purchased further boxes of Bibles and they fully intend to continue delivery until the whole village has had opportunity to receive the Bible for themselves.

This time of delivery has been a time of many God appointments, and His timing, as usual, has been perfect.

End to End.....and back!

You may be aware that KnP have for a couple of years now been planning to go from Land's End to John O'Groats (in the van they hastily add, before you think they may be walking or cycling!)

Well the dream/vision is now to become a reality. Micah has a number of reasons for this trip which we would like to share with you.

Firstly, in 2012 when the Olympic torch arrived at Land's End, KnP and Joan Keating went down to Land's End and 'planted' a Bible in the Land as a prophetic act, declaring the word of the Lord would become uppermost in our land once again. Since that time it has become more and more important to KnP to travel through the land to John O'Groats to declare that truth over the whole of the United Kingdom, and finally to 'plant' a Bible in the land at John O'Groats.

They have been waiting for the right time, and believe that it has now come.

Secondly, Micah has now worked in many areas up and down the UK, and it is planned to revisit every area where Bibles have been, and in some cases are continuing to be, delivered; to pray in these places, and to photograph the venues from which delivery has taken place.

Thirdly, it is planned to visit some new areas and maybe discuss the possibility of teaching the Acts 1:8 Evangelism, and even working in Bible delivery.

The Lord has told you what is good,
To do what is right, to love mercy, and

what He requires of you;
only with your God.

As we appreciate your prayer support we add the proposed itinerary, and ask that you pray with KnP as they travel the length and breadth of this nation, praying for the presence of the Lord, and the spread of His word to continue to invade our land.

We are also adding a proclamation which KnP will be declaring over the land and meditating upon as they travel. This is based on Isaiah 12.

We, and they, would be glad of any feedback you would care to give as you pray. Their phone number is 07876 362872, and please text with anything you need to share.

The proclamation is, **Isaiah 12**

I declare today is; 'that day' in which I will sing praises to You O Lord.

I now receive Your comfort in place of Your anger. I declare that You, Lord God have come to save me. I choose to trust and not be afraid.

You are my strength and song and You have given me salvation, victory, deliverance, aid and prosperity.

You have provided a spring of living water, a fountain of salvation, victory, deliverance, aid and prosperity; from which I will drink with joy, cheerfulness and welcome.

Today I will sing thanks to You, and praise to Your name.

I will declare Your exploits and deeds to the people. I will remember and mention that Your name, honour, authority and character is high, lofty, safe and strong.

I will make music to You Lord, declaring the wonderful things You have done. I will declare Your praise throughout the world.

Let us, Your people who dwell with You, shout Your praise in joy.

Why? Because You Oh Holy One are great and You live in the centre among us.

This is all obviously open to change according to the plans of the Holy Spirit!

Whilst in prayer one day, Keith believes that he heard the Lord say that this act is a clarion call, and so it is KnP's intention to blow the shofar at Land's End Wednesday the 1st of April at 10am, when they set off; also at John O'Groats on Sunday April the 12th.

The Lord has told you what is good,
To do what is right, to love mercy, and

what He requires of you;
Reply with your God.

**Please join us in praying that
the clarion call of the Salvation Jesus
offers to all who 'believe' on Him will be
heard throughout our land at this time.**
