

## Prayer and Newsletter March 2016

### Lots of changes!!!!

#### Lots of the same!!!!

Those who have been supporting Micah Mobile Ministries for some time, have been aware that the ministry was formed in 2001; with a team of six Trustees and two workers.

At that time as KnP needed to be very mobile, and they have lived in the two motorhomes over the fifteen years.

As time has gone by, the way of working has changed, and so has KnP's age! Therefore they have decided it is time to move from living on wheels to moving into a cottage in Cornwall. **This is not retirement but a time to reassess and refocus ready to see the support for evangelism grow and develop.**

With the production of the manual, and the teaching DVD's it is possible to use these to train, and put into practice the principles for doing evangelism that MMM has developed through the 15 years.

**Please pray for KnP as they transition from living in the motorhome to living once again in a home of bricks and mortar.**

### Encouragements from the work.

The other Sunday whilst having a cup of coffee after the service, Keith went over to speak to a

group of ladies who were not known to him. After saying Hello, one of the ladies said, "I think I know you".

Keith asked where the lady came from, and she replied, "Hayle"

Keith responded with the fact that he had delivered Bibles in Hayle, 10 years ago.

The lady said,

"That's where I've seen you",

and she produced one of our red Bibles out of her handbag. She went on to tell Keith that a while after she received the Bible she had come to know Jesus for herself, and that the Bible now went everywhere with her.

**Please pray for all the people who have received Bibles over the 15 years of Bible Delivery; that they may, like an incendiary bomb, burst into flames in their homes and cause them to pick them up and begin to read them.**

### Micah 'on the road'

Once again KnP were one the road during February, but this time by car rather than motorhome.

The first weekend in February saw them ministering at New Life Church, Fairford, Gloucestershire with Greg Husband, Keith was privileged to preach at the morning service, and to pray with one lady who had a number of rheumatic pains, and she testified of Jesus touching her and the pain disappearing. For this we give glory to Jesus as He moves in love upon His people.

The Lord has told you what is good,  
To do what is right, to love mercy,

and this is what He requires of you;  
and to walk humbly with your God.

The evening saw the Micah team preaching at New Life Church, Cirencester with Kola Tayo. The warm welcome made it a joy to be back among the people at Cirencester and hear the good news of what Jesus was continuing to do amongst them.

During the following week, KnP were encouraged to share pancakes and testimony with the folks at Southam Christian Fellowship, and Keith was able to share with one person who was interested in evangelism after the meeting.

The second weekend of February the Micah team were at South of Reading Christian Fellowship, Three Mile Cross.

Saturday KnP were blessed to meet with the team from SORCF who were involved in evangelism, and they shared with them some of the principals from the Acts 1:8 Evangelism Training Manual.

Sunday evening Keith preached and shared testimony of the good things Jesus was doing through the ministry around the nation and amongst the nations KnP had visited.

Keith was greatly encouraged to be able to minister alongside the Pastor, John Angliss, and see a number of people receive words of knowledge, prophecy, and prayer for release and healing after the service.

**Please pray for MMM as the travelling and ministry takes place around this nation and the world.**
