We are grateful for the support in so many ways, and we're thrilled that we have this new resource to make available.

## More news next month

The other media news this month was Micah Mobile Ministries appearing on GODTV. Keith and Pauline were interviewed last year at Creation Fest by Fergus Scarfe of GODTV and this was shown earlier this month on the UK Regional Update section. The interview lasted about 30 mins and was a great opportunity to share some of the wonderful things that God is doing up and down the UK through the years, and at this time.

**And in the months ahead.....** Please pray for these following events, and if you're close at hand we would be pleased to see you.
