

Prayer and Newsletter May 2014

With grateful thanks.....

Micah Mobile Ministries and especially Keith and Pauline would like to express their grateful thanks to two of their retiring trustees, David and Lynda Lush.

David and Lynda have been part of the Micah vision from the very early days, and it was whilst in conversation with Lynda that the name Micah Mobile Ministries came into being. David was instrumental in producing the original Trust document, and managing all of the legal work for the trust.

More than that David and Lynda have been a strong support personally to Keith and Pauline during their time in Cornwall and faithful friends since the early 1980's. Keith and Pauline are obviously thrilled that their friendship will continue, and it only due to change of circumstances for David and Lynda personally; that has caused them to withdraw from the board of Trustees. David has graciously agreed to continue to help with any necessary legal matters for the Trust.

Give thanks for David and Lynda's support throughout the life of MMM.

Please pray for David and Lynda as they continue to serve the Lord in all the ways He has called them to do.

Give thanks that the publishing of the manual is complete and the document is now at the printers.

We are hoping to have 500 copies of the manual available for purchase during the month of May.

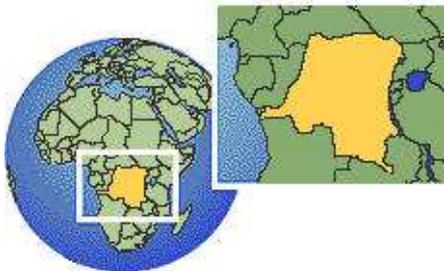

Please pray that all the production of the manual will go well and that it will get into the hands of those who are going to use it to continue to take out Bibles and share the Good News of Jesus up and down our nation and even abroad.

We were thrilled to hear from Greg Husband concerning his trip to New Zealand. He took the Acts1:8 training DVD's with him and used them with the church he was visiting. MMM have already received a phone call from New Zealand asking about the final two DVD's and the manual, and it is therefore true to say that MMM is becoming an international work.

Give thanks for the opportunity for Keith and Pauline to be going out to the Democratic Republic of Congo with Nigel Clark. They will be working with a church and school in Kananga, a town of about half a million people.

This will give opportunity to take the Acts 1:8 manual to Africa and chance to see if the principles will translate for use in that continent. Obviously they will not be using door to door work, but taking the principles and seeking to see them used to share the Good News.

Please pray for the organisation of visas, tickets and administration necessities as Nigel will be in Cornwall and Keith and Pauline in Oxfordshire, safety in travelling, health and all that they do whilst they are there.

Give thanks for all that is planned throughout the year, and the openings and opportunities the Lord has made.

Please pray for safety in all the travelling and continued good health to be able to do all that the Lord requires Micah to do.

As many of you know Keith and Pauline take the month of August to do some preparation work of their lives before God, and the work of the ministry for the following year.

During this time this year they will be beginning to plan for the time in 2015 when they are seeking to travel the length of the nation from Land's End to John O Groats, and back, sharing with Christians concerning the work of Micah Mobile Ministries.

If anyone would be interested in them calling and sharing in your area please contact Micah either by phone **07876 362872** or by e-mail knphorobin@yahoo.com

This will give opportunity to share what the Lord has been doing and to introduce the training manual Acts 1:8.
