Catalyst at Heartlands

It was encouraging that Ambassadors for Christ, an evangelistic organisation in Cornwall, reached 25 years of evangelistic service in the Duchy this year. They decided to share their birthday with other Christian organisations working in the Duchy by holding an event entitled Catalyst at the Heartlands centre near Pool, Cornwall.

This event was open to the public and many churches encouraged their congregations to go along and support the displays of present Christianity in Cornwall.

Micah Mobile Ministries was invited and Chris and Lin Hunneyball responded to the call and took a Micah Mobile Ministries display.

They had a good day and were encouraged to share with a lady named Jean, to whom they were able to give a Bible; now Bible delivery in the 'heart' of Cornwall!

Seed Sowing

Some seed takes longer than others in germinating and beginning to grow. The Micah team were encouraged to hear from Beryl Senior, one of the Micah Trustees, recently with the following news,

Hi, we have just had House Group. Mike J gave his testimony 2days ago at a Beverley church. A chap came up & said you don't recognise me do you? He went onto explain Keith & Mike gave himself & wife a Bible when on the doors in Humbleton!!

They were invited in for coffee & Keith prayed for his back. . He is born again, but unfortunately lost his wife who was also saved. .. PTL

This was 5 years ago when Bibles were delivered in Humbleton, but the planted seed will bear fruit.

News concerning India

The ministry trip to Vijayawada, India is now booked for November the 13th to November the 27th

The Lord has told you what is good,
To do what is right, to love mercy,

Keith and Pauline Horobin and Amanda and Nigel Turner have been praying and thinking about a ministry trip together to visit our friend, Pastor Chanti Raju in Vijayawada, India. We have now finalised dates and booked air tickets for our proposed visit from 13th to 27th November 2015.

The purposes of the visit are to encourage small village churches, provide teaching for the pastors, preach evangelistically and promote the Acts 1:8 training course in India. Chanti has already received a copy of the training and this was one of the main reasons he invited us to come and minister.

We would value your support in prayer for this trip, recognising that we are entering into a spiritual battle.

Nigel and Amanda have known Chanti and Lily Raju who head up Good News Ministry in Vijayawada for approx. 15 years, during this time Nigel has been to India twice with a team and others from our previous church have also gone to minister.

It has been some years since Nigel has travelled, and in conversation with Keith and Pauline about the Acts 1:8 training we started to talk with Chanti and sent him the training. He then issued an invitation for the four of us to go in November this year. We believe it was right to accept the invitation.

The purpose of the visit would be to encourage the churches, teach at a pastors conference, Chanti has talked of gathering 300 - 500 leaders for a three day conference, preach evangelistically and visit the widows and orphans projects that he is overseeing.

Chanti has asked if we can raise £1500 to cover conference set up costs including travel, food and accommodation for up to 500 pastors. If anyone would like to contribute to this please send the gift to Micah Mobile Ministries, 13 St James St, Penzance, TR18 2BT, and mark the envelope India.

and this is what He requires of you;
and to walk humbly with your God.
