Prayer and Newsletter May 2017

Delivery in Madron

The MMM team are once again at work taking out the word of God, and sharing the Good News of Jesus, in a village in Penwith in Cornwall.

The team has completed 2 days in the village of Madron, and have been greatly encouraged by the welcome they've received, and the openness to hearing about the Good News of Jesus.

Of the 38 homes visited so far, 22 have received Bibles and tracts, and many have been open to prayer and good conversations, and a small number have prayed and turned towards Jesus.

The village has an Anglican and a Methodist church and the two churches work well together, and openly welcomed the team into the area to work together in the presentation of the Good News.

There is a good relationship with the church, and the church school in the village, and together they seek to provide a safe environment in which the children are learning.

1. For the people of Madron to have open ears to hear the Good News of Jesus.
2. For the Christians in Madron to have health and strength as they live for Jesus in the area.

3. For the MMM team as there will be a lot of travelling through these next few months as you can see and pray through the diary.

April in Minehead.

Keith and Pauline were privileged to take a **MMM** stand and exhibit at this event. They were blessed to spend the 11 days staying with David and Rachel White and family in Somerset, and were able to travel in each day to Minehead to the event.

Over the 10 days of exhibiting many people were talked to, some people bought manuals, some people shared their stories, some people made a commitment to Jesus, some people asked **MMM** if they would consider attending their event to further promote the work.

Maybe the things which were foremost in Keith and Pauline's minds were,
The gentleman who invited them to attend the Parish Evangelism conference in Swanwick in January where they would have opportunity to share concerning the Acts 1:8 Evangelism Training manual with a number of people who are interested in reaching out into their communities.

The young lady who had a long conversation with Keith one morning. Keith was able to share with this lady concerning his own experiences of depression and hospitalisation, and then share the freedom and difference that giving his life over to Jesus had made for him. Keith and Pauline were greatly encouraged when the lady returned and told them that she had given her life over to Jesus.

The couple who came to the stall confused concerning some experience they had received and Keith was able to share and pray with them, and see them released from fear, and gently receive the power of God's Holy Spirit.

The other stand holders who shared into Keith and Pauline's lives in so many different ways.

As you pray for all the places **MMM** are set to go through this year please pray for strength for the workers, safety in travelling, and a constant infilling of God's Holy Spirit that they may know His way

and His will in everything.
