

Micah Mobile Ministries

and

May 2019

Thank you for your prayers for MMM @ Spring Harvest Minehead the story in pictures.....

This was MMM's spot the first week. Set out with manuals, banners, DVD's and sign up sheets for requesting newsletters. The projector was used to share the story of MMM through the 17 years in Cornwall.

The 'admin' work, like the poor, is always with us.

Note the nice new 'Reaching Others' banner which is advertising the new manual.

Keith is busy, as usual, sharing about the work, and the available training possibilities.

New look for Week 2.

It's good to have visitors from Cornwall (via California). Evangelists together

Always good to find space for a friend.

The goods are selling and the supplies are thinning out!

**Notice supplies:-
Coffee, dongle,
QR cards.**

The unseen pictures include the thousands of people with whom the information was shared, the suicidal person who came on the first day, and then shared again at the end of the week, the young couple who gave their lives to Jesus, and received follow up literature from AH Ministries stand which was also exhibiting at the event, the many encouragements of sharing with the other stallholders, and hearing from people who had bought material in previous years, and were now putting the training into practice. No wonder after 9 days the stall holder evangelist was looking tired.
