

He has shown you O man what is good, and what does the Lord require of you? but to **do justly** and to **love mercy** and to **walk humbly** with your God. Micah 6 v 8

Trustees Meeting in Cirencester October 2013

MMM Trustees were blessed to hold their meeting at New Life Church Cirencester this time, and they were warmly welcomed, (too warmly as the heating was very effective).

The meeting was helpful to the furthering of the work of the ministry, and the session saw the future work the ministry explored and discussed. We thank you for your prayers for this occasion.

Praise, Prayer and Share in Cirencester

On a very sunny Saturday afternoon, 26 people gathered to give praise to God, and share some of the great things that God has been doing through the people who were gathered there.

After a time of Praise, sharing of pictures and prophetic words, those who were gathered were presented with a power point delivery of the work of MMM, past, present and plans for the future.

The past most of you know about, the present is being shared through the newsletters and the plans for the future will be shared through the

November to January's e-mail newsletters and the snail mail newsletter in January next year.

Greg Husband shared how the Bible Delivery at Cirencester had continued since the MMM 5 week training in June 2011 and he told us how the Lord was continuing to encourage them with the people they continued to visit and share Jesus with. The team at Cirencester is now praying around another housing area of approx. 3,000 homes!

Martin Senior brought the picture from the other end of the spectrum as the team at Holderness are continuing to work their way through a number of small villages in the farming area of East Yorks. Martin also shared how they produced a monthly 'Take a Break' sheet. This is an A4 sheet with a testimony on it, a quiz or competition, a recipe, some jokes, and the information concerning their charity shop and church meetings. This helps to keep continuity with the people in the village and gives a reason to walk around the village and visit each home

Then the folks who were there began to share what the Lord was doing with them in talking about Jesus with their family, friends, workmates as well as with door to door work and street evangelism.

We do thank those who came along to make the afternoon of time of sharing the goodness of God.

Acts 1:8 Evangelism Manual

Those who have done the 5 week training with MMM will have used the Acts1:8 work book, but it has been decided that it would be useful, and the way forward to produce a manual which could be used by churches and groups of Christians to work through the training and begin to work on evangelism without

needing a MMM team present to do the teaching. To give opportunity to get this manual complemented Keith and Pauline will be travelling to North Yorkshire to give them opportunity to concentrate on this work without interruption.

Lynda Lush has already begun the arduous task of proof reading the manual and has kindly agreed to see the project through.

It is hoped to have the written part completed by the end of this year, and then to explore the best way to produce it at a cost effective way. It is also intended to place the document on Kindle which will enable it to be downloaded free for five days every 90 days.

MMM will inform you when this manual is ready for purchase or available on Kindle.
