Prayer and Newsletter November 2016

Lots of exciting snippets.....

Jesus promises that if we sow we shall reap, and we are beginning to see some of the fruit which has been sown over the years.

Recently a group of folks stepped out and held a healing service in the St Just Free Church, and this is the report that the leader of the group sent for yours and our encouragement.

14 folk came to the Life Group (follow-through from the w/e) - the sowing you have done in St. Just is sprouting :) It's on miracles in Cornwall. Praying and believing for you in St Buryan and Sancreed :)

In late August MMM spent 4 days at the One Event, sharing concerning the work, at the Expo there. During that time we met a number of the fellows who were from Betel in Derby. This last week we were so encouraged to receive this response from one of them.

Hey Keith how are u I don't no if u remember me but I met u at the one event and u gave me an evangelist pack for free ,I'm on session 3 and its great, God is great, since being saved my life is getting beta every day. What u do is brill and you've help me no end. I did my testimony last night in front of 50 or so people and with your help it went well. I want to one day become a pastor and go out into the roughest parts of England to preach the good word. God bless to u and your wife.

Finally, in this section we want to share concerning something which shows the spread of the work of MMM.

Thank you for your DVD series. Been watching them intently, very challenged! Australia needs this. I'll try and get others to watch it. You guys have led an authentic life. It's testament to God's goodness and faithfulness, and is encouraging to see!

The real blessing of the Acts 1:8 Evangelism Training Manual and DVD's is that we no longer have to be present for the teaching to be used, but people can get the manual and/or DVD's and use it for themselves. (Mind you Pauline thinks it's a shame that they haven't been invited to do the training in Australia, maybe another time.....)

The Lord has told you what is good,

Ongoing work

The Micah team are encouraged in all the areas of the ongoing work.

The Bible delivery in St Buryan has been a pleasure and it is great to see so many homes receiving God's word; also listening to the Bible deliverers as they share their testimonies, and what they believe the Holy Spirit would have them say.

The first, 10 week, Evangelism Discipleship training course is drawing to a close and this has been a great 10 weeks. **The Micah team are looking forward to commencing another 10 weeks in January. Anyone who would be interested in joining this course please contact MMM,**
