To do what is right, to love mercy,
and to walk humbly with your God.

Prayer and Newsletter November 2017

*The steps of a good man are ordered
by the LORD, and He delights in his way.*

Psalm 37:23

MMM would like to share an incident which occurred in October and illustrates this scripture so well. This situation also reminds us of the scripture in **Proverbs 16:9. We can make our plans, but the LORD determines our steps.**

Keith and Pauline had an encouraging time at the Trustees meeting at the beginning of October.

for your prayers for the Trustees meeting. It was encouraging with many good things shared, and decisions for the future made.

On the Monday morning after the meeting Pauline began to produce the minutes of the meeting, and set in place some of the decisions made. She promised Keith that she would be finished by lunch time, they would have dinner and then head into Penzance to the bank, and a visit to

strangely this seemed to meet with Keith's approval!

Around 11am, Pauline having finished the admin work a couple of friends arrived and they were able to share together the good things that the Lord was doing in all of their lives. This put dinner back a couple of hours and it was around 3pm before KnP were able to reach the bank. Pauline further delayed the visit to Costa by wanting to buy a roll of lining paper ready for

the recommencing of the **MMM** monthly prayer time. The shop they visited in the town did not have any lining paper and then Pauline suggested rather than go to Costa they would go to a shop which had coffee, but also sold wallpaper. This they decided to do.

They arrived at the shop around much later than they had intended, but just the right time for the Lord. They had coffee and headed down to the wallpaper area. Finally they found the lining paper and were heading to the checkouts when a lady appeared and asked if they knew anything about wallpapering. Well, having a 'high class decorator' on hand in the shape of Keith Horobin they spent the next 15-20 mins giving advice on the best way to decorate the lady's bathroom. KnP moved onto the checkouts, but not before the lady had received a DVD of Keith's testimony Set Free.

That would have been amazing 'steps ordered by the Lord', but the next steps were revealed the following day when Keith and Carolyn were out 'on the doors' in Madron. They continued their planned route, and as they knocked the 5th door, guess who answered the door.....

Yes, the lady who was decorating her bathroom! The delivery team were able to share further with her, and encourage her that

Jesus was on her case.

Please pray for this lady and that she will give her life to Jesus.

The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.

Something Old, Something New

For many years **MMM** held various prayer times, and as a result saw God's guidance in many miraculous ways.

We don't believe in keeping something going just for the sake of it, but we do believe that now is the time to reinstate a **MMM** therefore from

Wednesday, November the 1st 2017

there will be a 'come when you can; leave when you need' prayer time. This will be held **each month on the first Wednesday of the month**. This will be specifically to pray for the work of **MMM**, and will be held at **Trenance, Fore St, Marazion TR17 0AW from 10am-2pm**. Please note that, sadly, there is no roadside parking outside or around the house, but there are car parks in the town, which are usually free in the winter months, and some parking space outside the cemetery, and roads around there. We would love to see as many as are able to get along, but we appreciate many of you live too far away to attend, but if you should come on holiday.....

We are seeking to enable the Acts 1:8 Evangelism Training to reach as many people as possible so that many more people will be encouraged to **GO**

and share the **Good News of Jesus**.

From January 2018 we will be teaching the training in 20-30min slots on **MMM's** Facebook

page and Periscope. There will be more news about this in the next newsletter.

And finally.....
