

Micah Mobile Ministries

and

November 2019

We have for many years been very grateful for the people who have prayed for the ministry.

Either through reading the newsletter and then praying and those who have given us their mobile phone numbers and have prayed for us on a weekly, sometimes daily, basis.

We are aware of the protection and provision of Jesus through the prayers of His people, and we are grateful.

We continue to have over 20 people who receive a regular text from us and then pray for specific things. We are aware that a lot of people now use What's App groups to keep in touch and we would be happy to set up a What's App Micah Prayer Group if there were any people who would like to receive prayer requests in that way.

If that is you please email us your phone number and we will add you to a Micah What's App prayer group.

Please pray for those God is calling to join us in praying for the work of Micah Mobile Ministries

Bible Delivery in Marazion continues and we are encouraged by the uptake.

We are thrilled to say that we have now finished visiting up both sides of the main road which runs through the village.

We now intend to begin visiting around the estates that are built at the back of the road. We are also looking at starting a group for

people in Marazion who are interested in knowing more about Jesus. We are aiming to begin this in the New Year.

Please pray as we begin this new area we will know God's guidance, wisdom and empowering, and that we will know the right time to start the 'Who is Jesus' studies

13, St James St, Penzance. TR18 2BT

Micah Mobile Ministries is a registered charity No 1088747

The Micah training team have been very encouraged by the first session of Reaching Others training with Penzance Light and Life Church. It was great to meet with the folks and share the first session on Preparing Yourself, and we look forward to the second session at the end of October; Preparing in Prayer.

The training team is also planning to teach through the Acts 1:8 Evangelism Training beginning in the New Year. There will be more information about this in the next newsletter

We are pleased to say that we have all the speakers agreed for the Reaching Others conference which is going to be held at Shekinah Centre on the evening of March the 6th and the day of March the 7th.

The speakers are,

- | | |
|-------------------------|------------------------|
| 1. Preparing Yourself | Pastor Bob Hardman |
| 2. Preparing in Prayer | Pauline Horobin |
| 3. Preparing Your Story | Keith Horobin |
| 4. Preparing the Team | Paul Taylor |
| 5. Preparing the Tools | Pastor Charles Fleming |

There will be further details as time goes on, and there will hopefully be a great deal of promotion on the various Social Media programmes with Micah now uses.

Please pray for the training which is taking place, and for that which is proposed; also for the necessary publicity of these events.

The use of Social Media continues with the hits on the **Thank God it's Friday** programmes regularly reaching from 2,000 - 4,000 people a week.

We are able to pray for those who 'watch' the programme as Periscope show us all the people who watch 3 seconds or more. We are sure that there is the 'seed' of the Good News being sown in people's hearts.

Please pray for the 'seed' which is sown not to be snatched away by the 'birds of the air'. (Matthew 13:1-23)

Changed Lives continues to share the testimonies of people whose lives have been changed by Jesus, and **Who is Jesus?** is teaching through Mark's Gospel. We have been encouraged by the response we have received from the people from around the world who have been watching these presentations.

If you don't as yet receive these presentations, but would like to, please, on **Facebook**, ask to join **Micah Mobile Ministries group** or join the **Micah on the Move page**. Or if you prefer not to use Social Media each of these presentations are available on **Micah Mobile Ministries YouTube channel**.

Please pray for wisdom in answering questions from people accessing these presentations; also wisdom in using the media without falling foul of their broadcasting regulations
