### Things OLD

Micah Mobile Ministries have for many years been involved in Bible distribution all over parts of Cornwall and the UK. Approximately 11,000+ Bibles have been given out over the 18 years of Bible distribution.

We have been encouraged this month with a report from a local church leader who shared the following report with us,

**In one of my RE lessons this girl pipes up that some people had visited her house and offered a Bible. Her dad politely took it and showed no interest. However, he said to his daughter that she should take her own path and be allowed to have the Bible. Well this girl told the class that it is actually really interesting. She then told us about how a man called Lazarus was raised from the dead by another man called Jesus. I am just praying she continues to read and that Jesus reveals Himself to her. She is very inquisitive and does not take prisoners!! 😊😊😊 but we just don't know what is going on in people's homes and how it can lead to lots of opportunities. Pass it on 🙏😊**

## Things NEW

The internet work continues with a regular viewing of 2,000+ views per week for the main item we broadcast each week. The regular daily reading of the Bible continues with the gospels soon to be completed and then onto the epistles and Revelation to complete the year.

We are aiming to finish the Bible before Christmas and maybe remind people of the idea which was 'floated' last year.

During December reading one chapter of Luke each day would take us through the life of Jesus by Christmas Eve ready to remember the One whose birth we celebrate.

We are continuing the 3 o'clock prayer time each Monday to Friday, and have been encouraged with the number of people joining in and the fervency of the praying.

**This is the final reminder that if you wish to continue to receive the news concerning the work that Keith and Pauline are going to be developing from January 2021, please contact us and let us know. There will be one final Micah Mobile Ministries' newsletter next month.**
