

Prayer and Newsletter October 2016

MMM at the One Event.

We arrived at the Lincolnshire showground with

a quantity of materials ready to show what we did, and

what we could offer to churches and individuals to help them reach out in evangelism. The stall was quickly set out and we waited for the first people to arrive.

We were very pleasantly surprised with the number of people who spent quite a considerable time walking around the Expo area, and the time they took talking with ourselves, and various stall holders around us.

Over the four days of the Event we had a number of people come

along and encourage us with sharing about helpful they had found using the manual after buying it the previous year.

A number of manuals had been used in the UK and one had made its way out to, and was in use in, Majorca!

It is encouraging to report that the two main speakers which we heard on the first two evenings spoke on evangelism, and numerous people we spoke to, as we stood on the stand were interested in reaching out with the Good News.

Please pray that those buying the manual, and the sets of DVD's this year, at all the events we have visited will take the resources, adapt them for their own circumstances and use them to reach out with the Good News.

Evangelism Discipleship Course

This course has been running now for three weeks and Keith and Pauline have been so blessed with the seven folks who have attended.

The ages range from late teens to early fifties (that does not include KnP, who have a much greater age!).

The interest shown has been lively, and there have been many questions, comments and contributions by the folks attending the course. It has been good to see how the Acts 1:8 Evangelism Training course can be used to train people who are not going to be involved only in Bible Delivery, but also other forms of evangelism; these being many and varied.

As this is discipleship there are many challenges brought, and prayer given as and when situations shared require it.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

It is planned to run the second of these courses starting in January 2017, and anyone interested please contact Keith and Pauline or the Micah office through phone, email, or in person.

Please pray for the people attending the present course which completes in early November that they may go out and win others and further disciple them. Please pray that others will be enabled to attend the course beginning in January 2017.

Bible Delivery in St Buryan

MMM have been delighted to have the opportunity to work alongside the Anglican minister, Cannon, Reverend Vanda Perrett in St Buryan. Vanda has not only made the team most welcome, but travelled more than the 'extra mile' to open doors in the village.

It is always good to work in an area where the church has a good name and the minister spoken well of, and this is very much the case in St Buryan.

The prayer preparation for the area was completed in July, and so the team were ready to begin delivery at the beginning of September.

KnP are really encouraged with the 7 people from the Shekinah Bible Delivery team which joined with them to begin delivery in St Buryan. The doors are very open and a number of people have made a first time commitment to Jesus; which Vanda, the minister is following up on.

Needless to say there has been some opposition in many different ways, but the Lord has kindly given His army the necessary equipment (the full armour of God), supplies (prayer, praise and proclamation), and victory (the cross of Jesus).

We give all the praise, glory and victory to our amazing Commander of Heaven's armies.

Please pray for continued favour of the Lord in St Buryan, and the victory of the Lord over darkness, and many lives given to Jesus and disciples formed and commissioned to go out themselves and win others.
