Prayer and Newsletter October 201

Encouraging Response from Exhibiting at Creation Fest

The Micah team sold a training manual to a young man who comes from Ghana. He passed the information onto his pastor in Ghana.

The pastor contacted the Micah team, and was sent a digital copy of the manual. Within two days this was his response.

Glory to God. I downloaded the booklets. Honestly, it's very simple, clear and straight on point and very informative. I really love bit of it. I've started teaching it to my outreach team this evening. God bless. This is what we need in Ghana. I pray God will make possible for you to come to Ghana and train pastors.

Glory be to God for bringing you my way. The good news is that am currently in a village called KOKOSO in the central region of Ghana for soul winning mission. Today is the first day for the program that is expected to last for four days. I studied the materials you sent me and was inspired and I adopted some portions of the messages in the material. I am pleased to inform you that six people gave their lives to Christ this evening. Glory to God. The program will continue and end on Thursday evening. Please remember me in prayer.

Please pray for Pastor David Jeff and his team as they go out into the villages and seek to win the lost.

And so onto the One Event.

The Micah team were blessed, not only with the One Event, but also with being able to share into a local fellowship in Lincolnshire.

It is amazing how at every venue Micah Mobile Ministries has visited this year, whether exhibitions or local churches, copies of the training manuals have sold at each venue.

Please pray that for each manual sold someone is caused to reach out with the Good News of Jesus; either in their homes, neighbourhoods, workplaces, using social media, on the streets, door to door, or major evangelistic venues.

So that the world may know that Jesus the Messiah has died, has risen and will come back again, and every person in every community will have an opportunity to hear and respond to the Good News of Jesus.

Training in a local church.

The Micah team spent a week at Fairford, Gloucestershire working with the Fairford church which is pastored by Greg Husband and meets in the Palmer Hall, Fairford.

The Micah team were so encouraged that through the week around 30 different people attended one or more training sessions, and

**The Lord has told you what is good,
and this is what He requires of you;
To do what is right, to love mercy,
and to walk humbly with your God.**

many people came to all seven of the teaching sessions.

The teaching commenced on the Saturday evening and continued through to the final session on the Friday evening.

Sunday morning at Palmer Hall.

One of the evening sessions at the Barker Room in the Community Centre.

There is an old English saying that the proof of the pudding is in the eating, and the intentions of the church in Fairford is to visit the whole town and offer each home a Bible. Therefore towards the end of the training time the Pastor and one of the team went out to a local coffee shop on the High St and offered them the first Bible. They were openly received in the shop, and the Bible welcomed. The team of two had opportunity to share in the shop and many of the customers listened to what was being shared.

The same day Keith and Greg were able to witness to a young man in the street; whom Greg had known for some years. Keith was able to share a word of knowledge into the young man's life, and the two of them led the man into a prayer of asking Jesus to forgive him, and open his life up to Jesus as Lord.

Earlier in the week a couple from the fellowship were able to lead a lady in Namibia to the Lord, over the telephone. They then prayed for the lady to receive the baptism of the Holy Spirit, and she spoke in tongues. The couple had been sharing with the lady for some time, but now was the day of salvation for her and the time was right.

Please pray for the team in Fairford as they begin the work of giving opportunity for everyone in their community to hear, and respond to the Good News.
