

You may be aware that over the last 5 years Micah Mobile Ministries has taken part in exhibitions at various Christian Events, and we were thrilled, and encouraged to receive the following feedback **Within a few minutes of opening up this afternoon I had a young lady called Emma come to see me.....reminding me that you had ministered to her, spoke prophetically to her and brought her to salvation last year (she was looking for you Keith before coming to see me). I asked her how things had gone this past year and she replied "brilliantly" she was full of the joy of the Lord and wanted to thank you personally for your ministry to her 12 months ago.**

Although we were not at the One Event ourselves we received this from Allan Horsfield, a friend of the ministry who kindly provides many booklets which we use in the door to door work (see www.ahministries.org)

The work on Social media has been so encouraging with so many things to share it's difficult to know where to start.

Please pray for the following people we have had contact with,

1. **MeHdi** a gentleman from Morocco who we told we would pray for. We told him we would pray that Jesus would reveal himself to him.
2. **Ajay** a Hindu gentleman from India who speaks very little English and so we have been trying to communicate the Gospel in emoji's not the easiest thing in the world 🤔
3. **Dredaman**. This gentleman had watched our Who is Jesus presentation 🙌 and he messaged in one morning at 4.30am (we tend to get up and make a ☕ if we wake up and can't sleep). This was our conversation, It appears from our conversation that he is been touched by the programme. We have with him in which he has asked us to pray

Thanks 🙌, today I will comvice my uncle he's village headman I will tell him to go give me a sit to construct a simple church to pray 🙌 everyday maybe I can sav my community

a backslidden Christian, and had since had another conversation about the following situation.

Please pray that Dreadman will continue to have a heart to see his community saved, and that we might learn from his heart. We have been encouraged that Dreadman has not asked for money or a ticket to the 'golden' land of the UK.

Another encouraging fact is that over the last month we are regularly seeing from 1,500 – 3,000 people 'hit' on the Thank God it's Friday programme, and that includes 200 – 500 who have 'watched' it on Periscope, and we have been able, each morning, to pray for these people by name or at least their Twitter name.

The Changed Life programme is seeing many people hear the truth of 'ordinary' people whose lives Jesus has changed in His own amazing way.

We have been so encouraged, and we trust you will be too as together we work to see God's Kingdom grow. This is due to your prayers and the help of those who have understanding of how Social media works.
