

Prayer and Newsletter September 2016

Modern Technology

As you are receiving this newsletter by email, you must have some experience of using modern technology to greater or lesser extent (and no doubt been confused and frustrated by it on several occasions!)

Micah Mobile Ministries has developed in its use of various forms of technology over the years; from its early days of using a desktop publisher to its present usage of laptop, mobile broadband, computer projector, email, website, Twitter, and Facebook. All of which to a greater and lesser degree cause its Admin Officer to turn to despair or prayer (sadly, usually in that order)

One the better uses of modern technology has definitely been the **MMM** website. This has been up and running for approx. 10 years now, and caused Pauline less trail and trouble than any other form of technology, and this is due to the fact that, through Peppy Cobbold's kind intervention, the website is completely produced and maintained by **Ali Luke** of

Ali, not only designed the website for **MMM**, but has also maintained it, kept the information up to date, posted the newsletter each month, and **put new sermons on the website for people to receive teaching**. There are not only many sermons which have been there for some time, but also 9 new sermons which have been put there in the last couple of weeks. The website link is available here <http://www.micahmobileministries.org.uk/sermons.html>

It is also possible to find up to date information

We continue to make the Acts 1:8 Evangelism Training manual available digitally on

with it available free for 5 days every 90 days. Also available on Kindle is the book Shared Lives, which tells of Keith and Pauline Horobin's journey from birth to Cornwall, and a collection of study books which are suitable for group Bible study.

The Lord has told you what is good,
To do what is right, to love mercy,

and this is what He requires of you;
and to walk humbly with your God.

MMM continuing to seek to train others

As many of you know it would be easier for Keith to 'go and do', but the work of the ministry would then continue to be a small work with very few people involved.

The Lord has made it clear to the Trustees and Workers of the ministry that now is the time to train others so that many will go out and take the Good News of Jesus to those who have not yet heard.

With this in mind the Acts 1:8 Evangelism Training Manual has been produced, a number of Christian conferences attended with exhibition stalls, and now the Acts 1:8 Intensive Training and the Evangelism Discipleship Training courses are commencing.

Please pray for openings to share, wisdom in training, and many to take up the opportunities offered.
