## Now is the time of HARVEST

We, and many others have planted seed in the field of this world, and now we look to the LORD of the Harvest to send out more and more labourers to gather it in.

We are thrilled that the Acts 1:8 Evangelism Training is part of God's strategy to see that **Harvest** gathered in. We are going to share a few more testimonies from some of those who have completed the training during the last year.

The following is Part 1 from Debs who did the training with us at the end of last year,

I found the Evangelism course both **inspiring and challenging**. What I gleaned from Acts 1:8 has already helped me enormously in **stepping out and sharing my faith and testimony with some of the people I encounter daily**. Some who I may not have had the confidence to be so honest with a few months ago. I'm sure **all that I gathered will continue to register as I go forward with the faith** that I will be part of a new ministry commencing in the New Year.

Although of course, learning new spiritual principles or being reminded of ones that perhaps had gravitated to the back of my mind was incredibly useful, I think the main things that I will take away with me are these:

Firstly, Keith and Pauline's warmth, hospitality and efforts to create a safe environment where I felt comfortable and trusting to share my experiences and to ask questions without feeling self-conscious.

Secondly, meeting new people, spending time with old friends and in short, fellowshiping with a group who clearly loved the Lord.

Thirdly, although there was a clearly a programme and a manual to compliment it, the Horobin's allowed it to be **spirit led, making room for Jesus whenever there was a clear indication for prophetic words to be shared, prayers to be administered, stories to be told...**

## **BUT that's not the end of the story!**

As I managed to lose the first email Debs sent 😞 she kindly 😊 sent me the first email again and added **Part 2**.

Since writing the above, I have begun an Alpha Express Course **from my own living room** and am looking to commence a Bible Course, predominantly for new Christians, in the next few months. Also, I am in the midst of helping to organise a Come to Believe, 12 Step Retreat in our local area in November. So it would appear **I did not just pay lip service** to the feedback given in Part 1. And on that note...

I would recommend this course to anyone actually. **Not just those who are looking to step up their 'evangelism game.'** **But those seeking to know the Lord more intimately, those who desire cultivating new and old relationships, and anyone desiring an opportunity to grow spiritually** and like I said earlier, in a safe and nurturing space-free to be themselves.

We were also very encouraged to receive this following report back from Marion, following MMM's recent training session at the Engine House, Redruth.

I enjoyed it very much and I was blessed to meet up with the folks who were there. The MMM team had obviously put their all into what you taught about sharing the Gospel. They had much to share which was **practical, full of common sense**, and illustrated with practical testimonies from your ministry.

The final testimony was from Carol, who was so encouraged through the teaching that she went on to lead a lady she met at work to the Lord following the course.

**Just as with the farmer, we don't sit and look at this year's work, but we begin again to seek the Lord for the new strategy for 'what next?'**

Please pray with us for,

- ✓ **God's openings in training in the coming season.**
- ✓ **Completing the Bible Delivery in the area of Penzance in which MMM are working at present.**
- ✓ **Continued health and strength for the MMM**

**team, workers and Trustees.**

- ✓ **Trustees meeting in Cornwall on October the 6<sup>th</sup>.**
